Let's Start!

Let's find out about a helicopter ride!

Learning Outcome

Accurately use information about travel and vacations in social situations.

Ask your partner:

- Do you like helicopters?
- Would you ride in one?
- Why or why not?

Can Do Statements

- I can talk about things to do or take on a trip.
- I can request and give advice.
- I can ask and provide information in a public place.

Let's Explore!

Does Sally need **motion sickness pills*** for a helicopter ride?

* "Motion sickness pills" help your stomach feel better on a boat or in a helicopter or small plane.

Instructions: Read the text aloud.

- Sally:** Can you tell me more about the tour?
Salesperson: We promise a spectacular one. Our service is first class.
Sally: How long is it?
Salesperson: It's a 45-minute flight. You should arrive 20 minutes before.
Sally: Do we need to take motion sickness pills?
Salesperson: No. The flight is usually very smooth.
Sally: How much does it cost per person?
Salesperson: \$300.
Sally: What can we do to be safe?
Salesperson: Just follow the directions and everything should be fine.
Sally: I need to bring another memory card for my camera!
Salesperson: Binoculars are also a good idea. We rent them here.
Sally: How should we dress for the flight?
Salesperson: The helicopter is air-conditioned. The canyon floor can be cool.
Sally: We stop in the canyon?
Salesperson: Yes. You float down the Colorado River on a pontoon boat.
Sally: Amazing!

Let's Practice!
